**Vitality Calcium
 Complete* now
 available in Malaysia.**

Calcium is absolutely critical to proper bone health (the skeleton contains 99% of the calcium in our bodies). Calcium is also essential for proper muscle and heart activity. Vitality Calcium Complete's exclusive formula uses **four sources of calcium** (calcium carbonate, dicalcium phosphate, calcium citrate, and calcium amino acid oligofructose complex) **for timed-release effectiveness** that helps deliver the nutrition you need all day long while boosting mineral utilization. Vitality Calcium Complete also offers one thing no other calcium supplement in the world can offer—**Oligo**. This amazing breakthrough ensures maximum mineral solubility and absorption.

The Oligo™ Difference:

1. Oligo™ is essential for a vibrant life, better health and more energy*
2. Oligo™ delivers nutrients Just Like Nature™
3. Oligo™ is scientifically proven to be up to 10x more available for absorption†
4. Oligo™ is scientifically proven to deliver up to 4x better absorption through the intestinal wall
5. Oligo™ is scientifically proven to protect antioxidant vitamins up to 5x better than the leading brands
